

## May 29<sup>th</sup> Cruise to Remlinger Farms

Our May cruise will be to Remlinger Farms. They have been so good about letting us use their parking lot for our Spring Into Summer shows that we thought we would support their opening this spring. Usually, they open Mother's Day weekend but had to delay the opening due to a drain problem. We hope that you will join us. Weather permitting and Mustangs willing drive your Mustang on the cruise. It is not mandatory that you drive your Mustang just more fun to see them out.

We will be starting from this address: 14400 NE North Woodinville Way, Woodinville, WA 98072 and ending at Remlinger Farms 32610 NE 32<sup>nd</sup> St, Carnation, WA 98014. It is about a 30-minute drive through the back roads.

The starting point is a building facing North Woodinville Way. We will be gathering behind the building so turn North onto 144<sup>th</sup> Ave NE and take the first right into the parking lot behind the building. Arrive at the starting point by 10:30AM. We will have a drivers meeting at 10:45AM and hope to be on the road by 11:00AM. I have included a map with driving directions for those who like paper with them. Below is a blowup picture of the starting point. I have placed a dot showing where to park.

Currently the weather forecast is 30% chance of rain with cloudy skies and a temperature of 66 degrees. Oh well. Let's cruise! Reminder, this is a pleasant fun cruise not a race. We expect people participating to stay with your group so that everyone can have an enjoyable cruise. If someone has problems and needs to pull over, please pull over, if possible, to see if assistance can be provided. Thank you. Look forward to seeing you on the 29<sup>th</sup>!
